WELCOME to the 2024 Twin Falls Witch's Market!

Hail and Welcome, Enchanting Vendors!

Our goal is to curate the most magickal Witches Market for our 2024 event. Alongside the Market, we will host classes, rituals, workshops, raffles, and various other activities. This year, we are excited to feature food vendors and children's activities on-site. We appreciate your participation and support in building this community event together!

Love,

~Solaris Moon

Are You a Good Fit for This Event?

Skilled artists, readers, service providers and vendors of various mediums providing goods and services with a strong Witch, macabre, spooky, fantasy, goth, magickal, Pagan, Spiritual or cosmic aesthetic are invited to apply to be part of this year's Market.

Understanding Our Target Audience

Our local visitors include a diverse group of individuals, such as practicing Witches, magickal practitioners, and a wide range of people who identify with various labels like Witch, Occultist, Pagan, Wiccan, Spiritual, Heathen, Queer-Witch, New-Age, Secular, Animist, and more, or even none at all!

Within this community, there are newcomers taking their first steps, occasional dabblers, and experienced practitioners with decades of experience. Some lean towards modern Witchcraft, while others prefer a vintage or traditional style, and many appreciate both. Easy-to-understand products tend to be more appealing and attract a wider audience.

Within the community of attendees drawn to our event, there are also individuals who are receptive to Witch-friendly themes without actively engaging in magical traditions. Their interest may lie in the distinctive and specialized pop culture merchandise available at events like ours, featuring wearables, home decor, and collections of curiosities as well as novelty services such as readings or reiki.

Exhibitors who welcome and accept diverse paths, beliefs, and practices without judgment will achieve the most success at our event.
